Highlights

- **Active Engagement**: Participants actively engaged in Q&A sessions and shared personal experiences.
- **Impactful Insights**: Attendees gained knowledge about preventive care and early detection of health issues.
- **Collaboration**: The programme was supported by local hospitals, NSS, YRC, WEC, community leaders.

Feedback

Feedback received from participants indicated high satisfaction and a desire for similar programmes in the future. Attendees expressed their appreciation for the practical tips and professional guidance provided during the event.

The Health Awareness Programme was a resounding success in promoting a culture of health and wellness. Moving forward, we recommend organizing more targeted initiatives to address specific health concerns and reaching out to a broader audience.

The programme ended with an Interactive Q&A Where students share their concerns and learned about available support system. The talk was well received, with 200 more students participants were presented along with teaching and non teaching staff. Vote of thanks by Dr.Krishnamurthy.C.N. (YRC Coordinator.)
