4.2.1 Library is automated using Integrated Library Management System (ILMS)

Response:

Our Library is accommodated in an area of 280sq.mtrs with the seating capacity of 75 persons. It is partially automated. It uses library management software "NewGenLib" which is upgraded with new version of HELIUM 3.1.1 in 2016.The computers in the library are linked with Internet and Wi-Fi. The LMS has helped us in bar-coding every new book before it is issued to the students or the staff. It has made sorting of books easier. The students and staff can get copies of e-Books anytime during the working hours of the library. The library has 15720 text books, 22342 reference books, 40 journals and 74 CDs and videos for the use students and staff. It also has 24x7x365 OPAC search facility. There is an e-Library with 5 Computers and annual subscription to N-LIST Programme of INFLIBNET (College ID: 4903). The Library has a scanner-cum-printer.Efforts are underway for complete automation of the library in the days to come.

The details of software adopted are as follows -
