REPORT

The Internal Quality Assurance Cell (IQAC), in collaboration with the NSS Units, Anti-Ragging Cell, and Women Empowerment Cell of BLDE Association's New Arts College, Tikota, jointly organized an Awareness Programme on CYBER SECURITY on 23rd October 2025 at the college Seminar Hall. The programme aimed to educate students about the growing menace of cyber crimes and to promote safe and responsible use of digital platforms.

The event began with a formal inaugural session. The Principal, Sri.P.S.Tolanur, presided over the function and highlighted the importance of cyber awareness in today's digital era. He emphasized that while technology has empowered society, it has also made individuals vulnerable to new forms of crime, and hence awareness and vigilance are crucial. The resource person, Mahantesh Kumbar, Cyber Security Officer, Vijayapur, District Police Department, delivered an enlightening talk on various types of cyber frauds such as phishing, OTP scams, online job frauds, digital payment scams, and identity theft. He also demonstrated preventive measures, safe browsing habits, and reporting mechanisms available through cyber helplines and portals.

Students actively participated in the interactive session by sharing their experiences and asking insightful questions. The programme successfully enhanced the participants' understanding of cyber security and digital safety. The event concluded with a vote of thanks proposed by Sri.B.R.Desai, expressing gratitude to the resource person, faculty, and students for their active involvement. Overall, the programme served as an eye-opener for students and staff, encouraging them to remain alert and informed in the digital world.
